Notes

- (1) A temporary volume incentive rate of [U] fifty cents (50.00¢) per barrel shall apply to any Shipper that ships at least 2,000 barrels per day, on average, during a given month from Colorado City to Cushing. This temporary volume incentive rate will be re-evaluated on a month-to-month basis and may be cancelled by Carrier at any time upon advance notice through the submission of a tariff amendment cancelling such temporary volume incentive rate. Any Shipper that seeks to ship from CET's Colorado City Truck Station at Colorado City must have entered and have an effective agreement in place with CET that allows use of CET's Colorado City Truck Station.
