Notes:

- (a) Transfer tariff from Haynesville Junction to Haynesville, Louisiana.
- (b) To the extent nominations exceed capacity for movements between Haynesville, LA and Magnolia, AR, drag reducer additive (DRA) injections will be available at shipper's cost and apportioned on a volume basis among the shippers requesting DRA.

Crude petroleum viscosities to be determined per the Carrier's Viscosity Table available on the Carrier's web site. Crude petroleum not listed in the Carrier's Viscosity Table shall be considered for shipment on a case-by-case basis with the shipper providing the required viscosity information and other characteristics. Carrier reserves the right to verify the information by its own or independent testing.

Gathering Rate: The rates named herein are for trunk line transportation only, and no gathering service will be performed under this tariff.
